

GROUND CARD™
WRIST STRAP MONITOR
The monitor should be held
under the wrist strap
in a horizontal and flat
position. The monitor
should be held in a
position that is parallel
to the wrist strap.

CAMERA LIGHTING

COAXIAL/OBLIQUE INTENSITY

MODE MIN MAX

A control panel for camera lighting. It features a small rotary switch labeled 'MODE' with 'COAXIAL/OBLIQUE' above it. To its right is a large black knob labeled 'INTENSITY' with 'MIN' and 'MAX' markings.

MASTER POWER

ON OFF

VACUUM

A master power switch with 'ON' and 'OFF' positions. Below the switch is a small circular indicator labeled 'VACUUM'.
